Pending Capital Projects

MORROW COUNTY HEALTH DISTRICT announces a new capital project:

Irrigon Medical Clinic, located in Irrigon, Oregon, is expanding the Family practice clinic by 3200 square feet and remodeling 800 existing square feet. The expansion will benefit the community by increasing access to family practice appointments and specialty medical care. The plans include expansion of the waiting room areas, patient restrooms, provider and staff offices, exam rooms and conference areas.

The total project cost is estimated at \$900,000 with an estimated completion date of late October or early November 2018.

Public comments about the project may be submitted to Bob Houser, CEO of Morrow County Health District, at bobh@moco hd.org or by calling 541-676-2915.
