Re: **Morrow County Health District (MCHD) Notice To Vacate Dated December 13, 2023**

Dear Mr. Bundy:

On behalf of Morrow County, this is to inquire regarding MCHD's intentions regarding the continued provision of ambulance services in Morrow County. By prior mail Morrow County acknowledged receipt of MCHD's decision to Vacate MCHD's ASA and MCHD's refusal to participate any further in the development of the proposed ASA Plan.

That said, as you know, the County is preparing the drafts of the proposed Ordinance and ASA Plan for submission to OHA. The timing of OHA's approval is uncertain. If OHA's approval and enactment of the Ordinance is not effective prior to midnight on March 12th, 2024, is MCHD willing to extend provision of ambulance services until such time as the Ordinance and ASA Plan are approved and enacted, and ambulance service providers are designated by the County and operational?

Given the timing and critical need to continue ambulance services, MCHD's prompt response is requested

Please confirm receipt. If I do not hear back from you by close of business on January 10, 2024, I will understand that MCHD's decision is final and MCHD ambulance services will end at midnight on March 12, 2024.

Sincerely,
